

Ajman Hotel by Blazon Hotels receives Green Supply Chain Award

Ajman Hotel awarded in the category Green Supply Chain at Modama Ajman Tourism Sustainability Awarding Ceremony

24 October 2019, Ajman, United Arab Emirates

Ajman Hotel managed by Blazon Hotels was awarded in the category Green Supply Chain at the Modama Ajman Tourism Sustainability Awards yesterday, 23 October 2019.

Modama Awards was established in 2018 by the Ajman Tourism Development Department and evolved through the initiatives taken to honor the hospitality organisations and individuals who are actively working towards sustainable and environmental-friendly future. The awards serve as a milestone in achieving the vision and positioning the Emirate of Ajman as the eco-conscious touristic destination.

It was an honor to have been acknowledged and recognised by the Royal Highnesses of Ajman, Sheikh Ammar bin Humaid Al Nuaimi, Crown Prince of the Emirate of Ajman and Sheikh Abdul Aziz bin Humaid Al Nuaimi, Chairman of Ajman Tourism Development Department for the efforts we make towards our environmental responsibilities.

“We believe that sustainability is a key factor in successful resource management. Specific initiatives include reducing of energy, water, gas, petrol, food, paper, and recycling of used soap. The initiatives are significant, on-going and the benefits are measurable in environmental and financial terms. We will continue supporting the efforts of Ajman Tourism Development Department in enhancing the vision and the positioning of Ajman as a sustainable and green touristic destination”, said George Ganchev, General Manager.

Ajman Hotel managed by Blazon Hotels was just recently recognised by Diversey Gulf FZE for its continuation to their Corporate Social Responsibilities Initiative labeled “Soap for Hope”. The hotel contributed with 20 kg of used soap in the last two months that is to be recycled and shipped to the Philippines.
